**PROCLAMATION BY THE MAYOR AND CITY MANAGER RENEWING  
THE STATE OF EMERGENCY WITHIN THE CITY OF SHELBYVILLE, TENNESSEE,  
TO CONTINUE EFFORTS TO CONTAIN  
THE NOVEL CORONAVIRUS DISEASE (COVID-19) OUTBREAK**

Executive Order No. 2020-17  
July 9, 2020

**WHEREAS**, the Coronavirus Disease 2019 (“COVID-19”) is a respiratory disease caused by the SARS-CoV-2 virus (the “virus”) that can result in mild or severe symptoms, including fever, cough, and shortness of breath, and can lead to serious illness or death, particularly in the case of older adults and persons with serious chronic medical conditions; and

**WHEREAS**, since late 2019, a significant outbreak of COVID-19 occurred that has spread globally to 217 countries, areas, and territories, deemed a pandemic by the World Health Organization (the “WHO”), which has significantly impacted the health and livelihoods of the citizens of the City of Shelbyville; and

**WHEREAS**, broad-ranging and unprecedented measures have been taken at the local, state, and federal government levels to stem the rate of transmission of COVID-19, including the declaration of a national state of emergency by United States President Donald J. Trump on March 13, 2020, and the declaration of a state of emergency in the State of Tennessee by Governor Bill Lee on March 12, 2020;

**WHEREAS**, in response to the identification and spread of COVID-19 in Tennessee, Governor Lee issued numerous Executive Orders throughout March and April, 2020, that significantly curtailed commercial, employment, social, recreational, entertainment, and sports activities and suspended or modified various State laws, rules and regulations to facilitate the treatment and containment of COVID-19, minimize unnecessary person-to-person contact, maintain adequate health care system capacity and supplies, and other measures; and

**WHEREAS**, Tennessee’s pandemic response measures also included the voluntary physical closure of all public and private educational facilities in the State, including the Bedford County School District, for the remainder of their respective school years at the behest of Governor Lee, with the substitution of an electronic distance learning curriculum, and the

suspension of certain in-person court proceedings and certain court rules as mandated by Orders of the Tennessee Supreme Court; and

**WHEREAS**, the City of Shelbyville's pandemic response measures included the election to afford public officials the means to participate electronically in public meetings, the adoption of health safety protocols and closure of certain facilities, and implementation of a modified work schedule for certain governmental departments, offices, and services, and the suspension of the Shelbyville Municipal Court, all in compliance with State and federal guidance and directives for the safety of the public and employees; and

**WHEREAS**, since late April, 2020 Governor Lee and his appointed Economic Recovery Group have implemented a phased re-opening of the State under "Tennessee Pledge" and continuing Executive Orders, for 89 of the State's 95 counties, including Bedford County, to keep employees and customers safe during the ongoing COVID-19 pandemic; and

**WHEREAS**, on May 26, 2020, the Tennessee Supreme Court issued Administrative Order No. ADM2020-00428, "*Order Extending State of Emergency and Easing Suspension of In-Person Court Proceedings*", which encourages the increased use of electronic means for hearings and other court business while lifting previously imposed restrictions and suspension of rules; and

**WHEREAS**, since May 26, 2020, many of the City of Shelbyville governmental departments and offices resumed normal working schedules for its employees and began to re-open certain of its facilities to more direct access by the public while continuing to implement any and all necessary measures for the safety of its employees and the public; and

**WHEREAS**, the United States continues to experience the effects of the COVID-19 pandemic, including the profound disruptions and challenges presented to commerce, employment, healthcare services, governmental services, and the operations of other entities and organizations, and the federal Centers for Disease Control and Prevention (the "CDC") and other leading medical experts continue to encourage social distancing, effective personal hygiene practices, and other measures to contain and slow the spread of the virus; and

**WHEREAS**, on June 29, 2020, in response to the continuing increase in the spread of COVID-19, Governor Lee did extend the State of Emergency for Tennessee until August 29, 2020 through Executive Order No. 50 "*An Order To Facilitate and Respond to Continuing Effects of COVID-19 by Extending Executive Orders Nos. 36 and 38 (as amended by Executive Order No. 49)*", and further extended the operation of his previous Executive Orders which provided for participation in public meetings by electronic means by issuing Executive Order No. 51 and the remote notarization and witnessing of documents by issuing Executive Order No. 52; and

**WHEREAS**, in further response to increasing transmission of the disease, on July 3, 2020, Governor Lee issued Executive Order No. 54 in which he urged all Tennesseans to wear face coverings while in public, and granted authority to 89 County Mayors, including Bedford County Mayor Chad Graham, to require or recommend the use of face coverings within their jurisdictions; and

**WHEREAS**, as of July 8, 2020, according to WHO, there have been 11,841,326 confirmed positive cases of COVID-19 resulting in 544,739 deaths world-wide; and

**WHEREAS**, as of July 8, 2020, according to CDC, there have been 2,982,900 confirmed or presumptively confirmed positive cases of COVID-19 in the United States, across all 50 states, the District of Columbia, Puerto Rico, Guam, the Northern Mariana Islands, and US Virgin Islands, resulting in 131,065 deaths; and

**WHEREAS**, as of July 8, 2020, according to the Tennessee Department of Health, there have been 55,986 confirmed or presumptively confirmed positive cases of COVID-19 in the State of Tennessee, resulting in 685 deaths and 3,023 hospitalizations, with 22,565 cases being currently active; and

**WHEREAS**, as of July 8, 2020, according to the Tennessee Department of Health, Bedford County, Tennessee had a total of 589 confirmed positive cases of COVID-19, out of which 434 persons have recovered and 8 persons have unfortunately died, for an active case count of 147 people currently with a confirmed positive diagnosis of COVID-19, continuing an upward trend over the past few weeks; and

**WHEREAS**, as of July 8, 2020, the total number of confirmed cases in Bedford County is still significantly higher than the number of confirmed cases in surrounding rural counties of similar population size, including the adjacent counties of Marshall County with 101 confirmed cases, Lincoln County with 78 confirmed cases, Metropolitan Lynchburg Moore County with 17 confirmed cases, and Coffee County with 132 confirmed cases; and

**WHEREAS**, the Tennessee Department of Health did identify a cluster of COVID-19 cases in the City of Shelbyville at a food processing and packaging facility, which is of great concern to City officials, and is likely to contribute to the continued spread and identification of additional cases of COVID-19 in Bedford County at a higher rate than most other counties in Tennessee, which is a condition of danger to the health, welfare, safety, and economic wellbeing of the citizens of the City of Shelbyville and may result in an interruption of municipal services to the public; and

**WHEREAS**, while the various pandemic response measures implemented at the national, state, and local levels did slow the spread of COVID-19 by "flattening the curve" as reflected in earlier declining rates of transmission and active cases, the recent resurgence in cases, transmission rates and hospitalizations make it advisable and prudent to continue local measures to contain the virus within our community especially in light of the re-opening of the country for business, including certain City governmental offices and services in accordance with State mandates; and

**WHEREAS**, safeguarding the life and property of its citizens is an innate responsibility of the City of Shelbyville, the Mayor and City Council, its officers and employees; and

**WHEREAS**, State law and the City Charter bestows police powers upon the City and authorizes it to act and to regulate in the interests of public health and welfare; and

**WHEREAS**, pursuant to the "*Mutual Aid and Emergency and Disaster Assistance Agreement Act of 2004*" (the "*Act*") found in *Tennessee Code Annotated ("TCA")* § 58-8-101 *et. seq.*, the Mayor of the City of Shelbyville is authorized by § 58-8-104 to declare a local state of emergency (as defined

in § 58-2-101(7) and § 58-8-102(5)) by executive order consistent with and governed by § 58-2-110(3)(A)(v); and

*WHEREAS*, TCA § 58-2-110(3)(A)(v) authorizes the City, upon the declaration of a state of emergency by the Mayor, to waive certain procedures and formalities otherwise required of the City by law; and

*WHEREAS*, pursuant to the *Act*, with the declaration of a state of emergency the City may be entitled to cost reimbursement as provided in TCA § 58-8-111; and

*WHEREAS*, pursuant to TCA § 38-9-102 the City Manager of the City of Shelbyville is authorized to declare a local state of civil emergency as defined in TCA § 38-9-101(2)(B), and for which she may declare a curfew for the City of Shelbyville if deemed necessary; and

*WHEREAS*, on March 20, 2020, through a proclamation issued under City of Shelbyville, Tennessee Executive Order No. 2020-01, Mayor Wallace Cartwright and City Manager Shanna Boyette declared a local state of emergency in the City of Shelbyville, encompassing both emergency and civil emergency under the purview of the respective TCA Titles 38 and 58, due to the COVID-19 pandemic; and

*WHEREAS*, since that time, the local state of emergency/civil emergency has been renewed by subsequent proclamations of Mayor Wallace Cartwright and City Manager Shanna Boyette, pursuant to City of Shelbyville, Tennessee Executive Orders No. 2020-02 through 2020-16; and

*WHEREAS*, the undersigned Mayor and City Manager of the City of Shelbyville have made such observations and investigations necessary, including communications with the Governor's Office, the Bedford County Mayor, the Bedford County Emergency Management Agency, and the Bedford County Health Department, to determine in their judgment that the state of emergency continues to exist within the jurisdiction of the City of Shelbyville that has resulted or may result in substantial injury or harm to the population, or substantial damage to or loss of property; and

*WHEREAS*, it is necessary and proper for the Mayor and City Manager to exercise their respective authorities to renew a state of emergency/civil emergency as granted by State law to preserve and increase the containment of COVID-19 and to minimize the immediate and significant danger to the health, safety and welfare of the citizens, residents, visitors, and employees of the City of Shelbyville.

**NOW, THEREFORE, BE IT PROCLAIMED AND ORDERED BY THE MAYOR AND CITY MANAGER OF THE CITY OF SHELBYVILLE, TENNESSEE, BY VIRTUE OF THE RESPECTIVE POWERS AND AUTHORITIES VESTED IN THEM, AS FOLLOWS:**

**Section 1.** The local State of Emergency first declared in Executive Order No. 2020-01 on March 20, 2020 for The City of Shelbyville, which has previously been extended through July 10, 2020 by subsequent Executive Orders, is hereby renewed for an additional seven (7) days within the jurisdiction of The City of Shelbyville in accordance with TCA § 58-2-110.

**Section 2.** The provisions of all of the previously issued City of Shelbyville Executive Orders, Nos. 2020-01 through 2020-16, shall remain in full effect unless otherwise amended, modified, or rescinded here within, or by subsequent executive order, and all orders, provisions, and directives included in this Proclamation shall continue through the duration of the State of Emergency, or any additional extension thereof, until amended, modified or rescinded by executive order.

**Section 3.** All citizens, businesses, and organizations of the City of Shelbyville are strongly urged to comply with Governor Bill Lee's Executive Orders and other State and federal guidance to contain the spread of COVID-19, including adhering to business re-opening guidelines in Tennessee Pledge, health and safety protocols such as washing hands and wearing face coverings in public where appropriate, and the practice of social distancing measures.

**Section 4.** This Proclamation shall be promptly distributed to all members of the Shelbyville City Council, all City Department Directors, the Mayor of Bedford County, and shall be distributed to local media outlets.

**Section 5.** This Proclamation shall be promptly filed with the Shelbyville City Recorder Lisa Smith in accordance with TCA § 38-9-102.

**Section 6.** If any provision, sentence, clause, or word of this Proclamation, or any application of it to any individual, group, organization, or business, regardless of legal entity status, or to any circumstance, is held to be illegal, otherwise invalid, or incapable of being enforced by a court of competent jurisdiction, then such provision, sentence, clause, or word shall be excluded to the extent of such illegality, invalidity or unenforceability; all other terms hereof shall remain in full force and effect; and, to the extent permitted and possible, the invalid or unenforceable provision, sentence, clause, or word shall be deemed replaced by another provision, sentence, clause, or word that is valid and enforceable and that comes closest to expressing the intention of such illegal, invalid or unenforceable provision, sentence, clause, or word.

**Section 7.** In accordance with TCA § 58-2-110 the State of Emergency is valid and effective as of Friday, July 10, 2020 at 12:01 AM Central Daylight Savings Time ("CDT") and shall continue in full force and effect until Friday, July 17, 2020 at 12:01 AM CDT, unless earlier rescinded, and may be incrementally extended for additional seven-day periods as deemed necessary.

*ISSUED* on this the 9<sup>th</sup> day of July, 2020 in Shelbyville, Bedford County, Tennessee.
